

## Seasonal Rate Plan Terms of Service

In addition to the Terms of Service for regular telephone service, the following summarizes the terms of service for HuronTel's Seasonal Rate Plans.

Seasonal Rate pricing is provided to residential customers who wish to have private line telephone service for a predetermined period during the year. Three periods of service are available:

Service	Service Commences	Service Ends	Rates in effect at time of signing	Please initial requested plan
1 RS	May 1 <sup>st</sup>	October 31 <sup>st</sup>	\$13.40/mo.	
1RS 8	April 1 <sup>st</sup>	November 30 <sup>th</sup>	\$16.45/mo.	
1RS 10	March 1 <sup>st</sup>	December 31 <sup>st</sup>	\$19.45/mo.	

Seasonal Rate Service includes automatic disconnection and automatic reconnection on the prescribed dates during the year. During the period of disconnection the phone service is suspended and bills are not sent to the customer.

The monthly rate for seasonal service is charged year round—even during the period of disconnection. The minimum service period for each seasonal rate plan option is twelve months. A service charge of \$35.00 applies for any change of local rate plan. All rates herein are subject to change without notice from time to time.

Seasonal Rate Plan customers are required to authorize that their phone bills be paid via Pre-Authorized Withdrawal from their bank accounts. By signing below you acknowledge these terms of service and you authorize HuronTel to automatically withdraw from your bank account on the 20<sup>th</sup> day of each month amounts covering the payment due to HuronTel.
