

HuronTel Premise Work Permission

The following document pertains to the permission to dig, plough, trench or install wires, cables, pipe or fibre optics at/on/in the premises specified herein for the provision, maintenance or re-arrangement of service to the end customer.

Personal Information	
Property Owners Name:	Tenants Name (if applicable):
Service Address:	
City:	Contact Number(s):

I/we, the undersigned allow Huron Telecommunications Co-operative Limited (HuronTel) to perform any of the above described procedures necessary in order to provide services. I understand it is the owner or tenant's responsibility to clearly mark all underground services and structures not installed by utilities companies; such as; WELLS, WATER LINES, SEPTIC TANK & TILE BED, OTHER TILE, CULVERTS, IN-GROUND SPRINKLERS, LIGHT POST WIRE, etc.

I/we understand that I/we are solely responsible for any damages incurred as a result of my failure to point out any obstruction or failure to be on site during any work performed by HuronTel.

HuronTel will call for locates of all major utilities such as hydro, cable, water, etc. New services will not be installed before this form and the lot diagram are completed. HuronTel will not be held liable for unmarked services.

A LOT diagram of all known underground wires, pipes, and customer buried equipment must accompany this form.
